### True by the Record.

A few days ago a gentleman from San Francisco was in this city and taxed Stewart with having left the Republican party.

"No," said Stewart, "on April 30 the party met in Virginia City and ordered all Republicans to fight Harrison in favor of silver. I obeyed the dictates of my party. Some bolters at Reno tried to change the policy laid down in Virginia City."

"But," said the gentleman, "prominent Republicans here say that those resolutions you speak of were never passed."

"Go to the State Library, and see in the papers of May 1st."

The gentleman went over, and coming back in half an hour, showed the following, which he had copied.

Resolved, That we condemn the Republican party of the Eastern States and the administration of President Harrison insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873 is essential to the prosperity of the country and paramount to all other political considerations.

Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions that apply to the coinage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

He admitted that Stewart was right and that his position was unanswerable.

When told that Bliss and Cleveland, two of the men who signed the above, were running on the Harrison electoral ticket, he replied that after endorsing such a platform they could not consistently do so.

### Oh What a Difference in the Morning.

Last week it was hard to get men who would run on the silver county ticket. Now the committee of eighteen have to select from numerous applicants to each office.

Converts are joining the ranks daily and the idea is now prevalent in the community that the ticket will sweep the county clean.

The voters who have been waiting to get a whack at the old county have been quite numerous in this neck of the woods for a long time.

### Ah! Ah!

The Republican National Committee are now sending frantic appeals to localities where Harrison is doomed, for Republicans to vote for Weaver in order to defeat Cleveland. Ho! Ho!!

The Republicans of Lyon have nominated J. S. Cragg for State Senator and S. G. Boston and Z. Pierce for Assemblymen. Mr. Boston comes out in a card in the Dayton Times, stating that he is first, last, and all the time for Mr. Stewart for U. S. Senator.
